Community Involvement Hours:

- **Will Make It Enrichment Program 2018-2020**
 - The Will Make It Enrichment Program steers students towards a successful path. This program prepares juniors and seniors for college and provides us with multiple opportunities to obtain service hours, apply to scholarships, and to aid us in our college research.
- **Library Assistant 2018**
 - As a library assistant, I checked inventories for books, audio-visual materials, and computer software. I answered patrons' questions and assisted in finding requested materials. Also, I shelved books, distributed lunches to children ages 2-18, and participated in S.T.E.M. activities with children.
- **Summer Camp Volunteer 2017**
 - While volunteering at a summer camp, I developed engaging and informative activities for children, distributed and prepared lunches for

children ages 5 to 13, and supervised activities during children's activities, especially during field trips.

- **Tutor 2018 - 2020**

- Volunteering as a tutor at a library allowed me to focus on giving back to the community in a small but significant way. I tutored a below-level fourth grader. We spent different days working on different areas that she needed assistance in. For example, we worked extensively on her weaknesses which included telling time, measuring objects, counting money, and spelling her vocabulary words correctly.

- **Beach Clean-Up 2019**

- Cleaning up Pompano Beach with the members of my high school's National Honor Society Club took about 3 hours. On January 19th, we all met at the pier, then divided up into groups of 5 to clean designated areas of the beach. We used sifters and shovels to find pieces of trash, beer bottles, and even torn up clothes.

- **Office / Teacher Assistant 2018**

- As an assistant for my high school's office staff, my duties included welcoming and directing visitors to appropriate staff members or meeting locations. Organizing and sorting files, as well as answering phone calls were also some of my roles.

- **Feeding South Florida 2016**

- During my participation in Young Ladies of Excellence, a female mentoring club, I was given the opportunity to give back to my community by going through donated canned and boxed foods and discarding contaminated foods.

- **Battle of the Bands 2017**

- Battle of the Bands is a community event where all high schools with a band in Broward County come together on one field and have a friendly performance competition. Preparing for the event consisted of setting up numerous chairs and tables, distributing dinner plates and drinks, as well as assigning each band a seating area and a designated time slot to perform.

- **Relay for Life *Coconut Creek-Margate* 2018**

- Community members and myself walked around my high school's track and payed respect to those who passed due to cancer by having a

luminaria ceremony while survivors received medals. We also hosted activities and games to raise money for research regarding caregivers and patients. I managed to raise over \$150 from donations towards funding for treatments and research.

Community Service Hours: 538 Hours

Leadership Experience:

National Honor Society's Broward College Liaison - 2020

- As BC Liaison of Broward College, my role consists of cooperating with Broward College to coordinate events and discuss all matters regarding my high school. I work closely with their student government to assure that no events conflict with my high school's events and Broward College's events.

College Board Student Ambassador – 2020

- Leading as one of College Board's Student Ambassadors consists of recruiting and informing students about the various opportunities and resources, such as SAT prep on Khan Academy, that College Board has to offer to students all over the world.

Vice President of The Will Make It Enrichment Program – 2020

- Duties of a Vice President of the Will Make It Enrichment Program consist of assisting the President in developing plans, events, and long-term goals for the organization. Ensuring that members of the program are attending all field trips, service projects, and events regarding to the community. Overall, I work closely with the Director to coordinate and supervise daily operations.

Treasurer of Math Club - 2019-2020

- My role as treasurer consists of collecting Math Club's dues and keeping track of any money we spend. Also, I create budgets to disburse money evenly to each event we host.

Vice President of Class of 2020 – 2018

- As prior Vice President of my school's Class of 2020, I worked closely with the class President to coordinate and plan events for our junior class. We also designed class t-shirts. Lastly, we helped fundraise for the junior class.
